Canadian Chamber of Commerce in  
Taiwan

**Membership Guide**

## Welcome to the Canadian Chamber of Commerce in Taiwan's 2017 Membership Guide

The Canadian Chamber of Commerce in Taiwan offers several membership options for individuals, small businesses and corporations in Taiwan. A CCCT membership offers opportunities for you to advertise to our member base and sponsor CCCT events throughout the year through the branding of various events with your corporate logos.

This year, we have revamped our membership levels to offer additional benefits and sponsorship opportunities for our members to have their logos presented throughout the business community in Taiwan on a more regular basis.

This program will recognize the businesses that support the CCCT annually by providing business logo exposure on CCCT correspondence. The CCCT is active in business development and we reach out to new companies and people daily.

Don't miss your chance to become one of our featured partners in 2017!

**Leadership** - Corporate and small business memberships defines your company as a leader in the Taiwan business arena. The CCCT will work to support and promote your business interests.

**Networking** - Membership with the Chamber will give you the opportunity to meet key members of the business community in Taipei. We offer a wide range of events to appeal to important people in business, government and community serving operations. Joining the Chamber creates networking opportunities and business contacts, including customer referrals. Every day, your local chamber receives calls and emails from businesses that are looking for potential vendors. With a Chamber membership, you can reach potential clients through business to business advertising.

The Chamber is a great place to network and to meet people who share a common interest in their community. In these forums, you can discuss your challenges and problems with a group of people who understand and who have faced the same issues.

**Purchase and Promotional Offers** - The CCCT has sponsors and benefit providers that offer individual and corporate discounts to our members. More information on this will be updated on this site shortly.

**Communications** - The CCCT has an excellent communication program that benefits its members in a number of ways. We email our members regularly to inform them of events and important happenings in Taipei.

Our monthly newsletter is mailed out on the first Friday of each month. We also have a growing community of members on our [Facebook page](#). Please consider subscribing to the CCCT [Facebook event page](#) for up-to-the-minute event information.

Members might also be interested in the [CCCT Small Business Network](#) page, which features helpful tips and advice for foreign small business owners, and which provides small business owners with a platform to interact with other business owners and investors in Taiwan.
